Evaluation Plan

Assessment Activities	Value	Score	Week of Evaluation	Notes
Attendance and Short Quizzes	1	4	Entire semester	There will be multiple unannounced quizzes throughout the semester. Quiz scores will not count towards your grade, but they will be an important check on your class attention.
Class Participation	1	4	Entire semester	Will not be formally graded, but class participation is crucial in order to truly work with the material that is covered in the class. This class is part lecture and part experiential learning/workshop format.
Self-reflective Assignments	6	24	Weeks 3,7,9,12	Individual, self-reflective writing assignments will be assigned 4 times throughout the semester. These assignments are an integral part of the course and designed to help you explore the content of the course in the context of your own plans, objectives, values, and experiences.
Final Reflection Essay	7	28	Week 15	The final assignment is a paper that integrates the material from the course into a cohesive whole. More will be said about this project as the semester moves forward; at this point, it suffices to say that it is a 5-page paper that applies the material from the course in a way that makes it make sense to the student.
